

FROM GOOD TO GREAT TEAMWORK

Cultivating a farm team that thrives through challenge

Join us for a transformative half-day workshop designed to elevate teamwork within your farm business. Whether you're the farm owner, manager, employee or part of a family-run operation, this session is tailored to foster stronger relationships and more efficient collaboration.

In this workshop you'll gain practical techniques for:

- Managing stress effectively
- Mediating conflicts
- Enhancing communication to strengthen connections within your team

This professional development opportunity is ideal for anyone involved in farm businesses seeking to improve their interpersonal dynamics and team effectiveness. The session includes hands-on practice to help you apply what you learn directly to your day-to-day interactions.

To maximise the impact of the workshop, we encourage attendance with your partner and team members. Join us for lunch and team building as we explore effective strategies to enhance your relationships and achieve new levels of success in your farm business!

Led by Bron Stedall, People Development Consultant from Pinion Advisory.
